

Online Review Management Tool

Fab

91%

of consumers say that positive reviews
make them more likely to use a business

76%

trust them as much as personal
recommendations from friends & family

Source: [BrightLocal Consumer survey](#)

“

High-quality, positive reviews from your customers will improve your business's visibility and increase the likelihood that a potential customer will visit your location.”

Get customer reviews on these platforms (and more), simply:

1

Log in to your
unique Dashboard

2

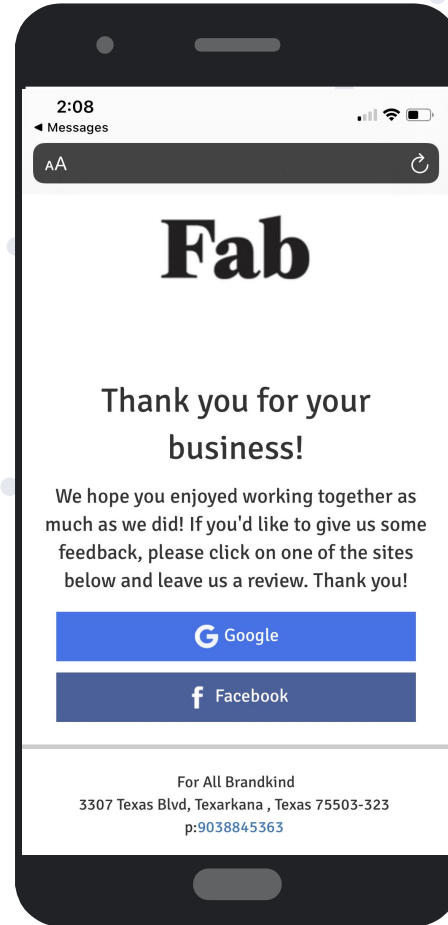

Enter your client's email
OR phone number

3

Click send.

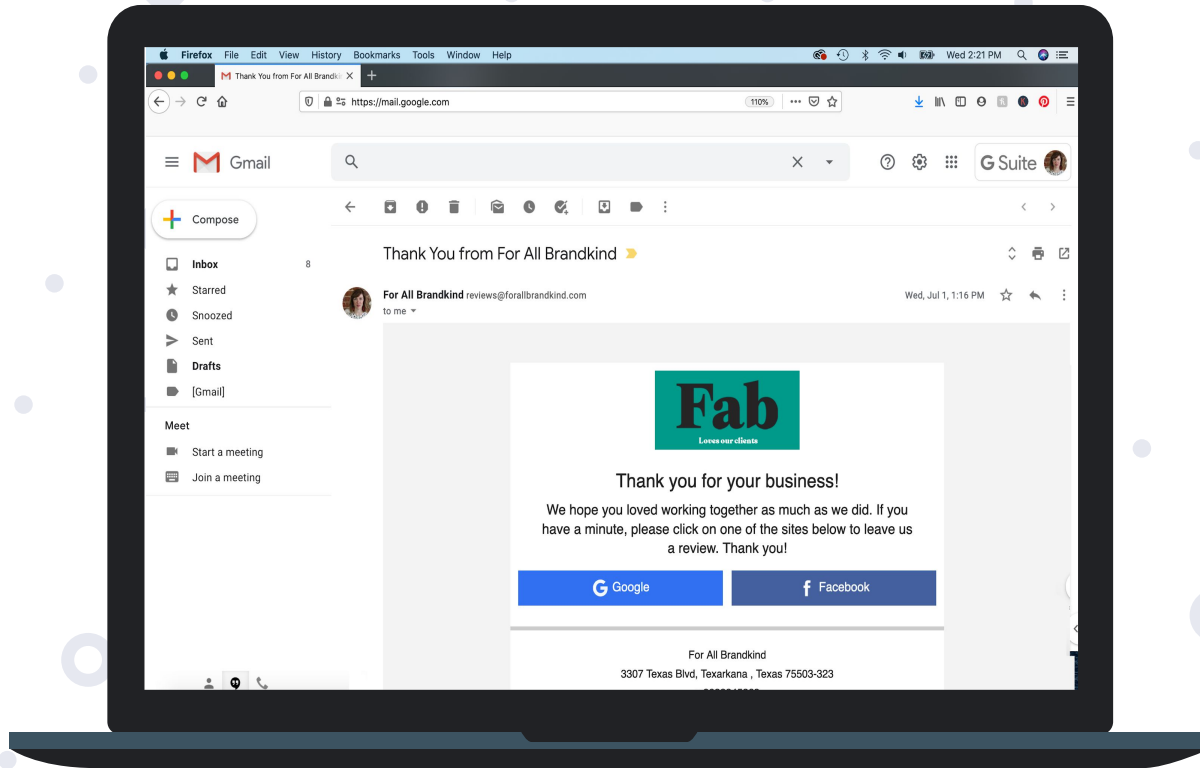

One click. Multiple options.

With one click, your clients are taken to a custom landing page where they can choose to leave a review at the site of their choice, from the platform options that **you** have enabled.

Desktop version, too.

Send your review request by email and clients are taken straight to the review site they choose.

Analyze & Respond, Simply.

See the reviews you received
in each platform, and
respond to them individually
- all from one spot.
